

Welcome to the “wismath-alg” listserv!

The Wismath-alg is a listserv designed to facilitate interactive electronic communication among Wisconsin teachers of algebra at the high school and middle school levels. It will be moderated by mathematics teachers and leaders from the Wisconsin Mathematics Council. This listserv will be used to:

- Hold interactive discussions related to the teaching of algebra
- Share teaching and assessment strategies
- Pose questions
- Share pertinent information and opportunities

The listserv is not intended to promote any particular product or curriculum, rather the goal is to provide a forum for teachers of algebra to communicate with each other and engage in discussions related to the teaching and learning of topics related to algebra.

When you subscribe to the listserv, you will receive a reply requiring you to confirm your subscription by clicking on a link embedded in the reply.

The table below indicated how to subscribe, post messages, and unsubscribe to the listserv. As soon as your membership to wismath-alg is confirmed, you may begin posting and responding to messages at wismath-alg@lists.dpi.wi.gov. To subscribe and unsubscribe, simply send an email to the following:
