Supporting **excellence** in mathematics education for students and teachers

2020 Highlights

The *State Math Contests*, held in March, consisted of 448 students on 56 middle and high school teams.

WMC and WI-AMTE offered a virtual *Catalyzing Change* book study with over 20 teachers.

The 2020 *Distinguished Mathematics Educator* was awarded to Dr. Jenn Kosiak from University of Wisconsin - La Crosse.

In 2020, WMC continued to support the mathematical learning of all students. As president of WMC, it has been an honor to be part of this organization.

Due to the pandemic, WMC had to cancel many of its professional learning events. Therefore, WMC would also like to thank all the individuals that made 2020 a mathematical success!

Lori Williams,
WMC President (2018-2020)
