

## **WMC Job Posting Policy**

*Approved by the WMC Board on July 11, 2013*

WMC offers schools, school districts, universities, publishers, and other allied mathematics education organizations the opportunity to post job openings on the WMC website. A link to this posting will be listed in periodic blast emails and the WMC Newsletter. Job post requests must relate to mathematics education, and final approval for all job postings shall be approved by the WMC Executive Committee.

All requests for job postings will comply with these guidelines:

1. The fee for job postings requested by members is \$50; the fee for job postings requested by non-members is \$100.
2. Job postings must be approved by the WMC Executive Committee prior to posting.
3. Postings will remain on the WMC website for 90 days or until the position is filled. A notice with a link will also be placed in periodic blast emails and the WMC Newsletter issue that is published closest to the approved job posting request.
